

DRIVE COLLECTION

Drive is a collection with electrical height regulation desks, which allow for customized standing and sitting positions and is a great ergonomically solution. The electrical height regulator, located underneath the work surface, simplifies changes in positions depending on one's office needs. Changing position during long working hours increases work effectiveness, productivity and health.

Yan Z

YAN COLLECTION

Yan is the ultimate solution for companies that have multiple project teams who need more room to work and positively interact. Yan was developed in such a way that essential ideas can be exchanged.

FUNNY COLLECTION

Flexibility and elegance are the key elements in the Funny series. This design cuts across boundaries, stepping into both management and operations offices and creating a new aesthetic level, addressing and resolving the widest possible range of functional and spatial demands. The requirements of management and the needs of the operations department are constantly evolving in step with changes in the workplace, and Funny has the right answer for all of them.

ROGER COLLECTION

A collection of tables that become the protagonists in every space. Fascinating in their simplicity, dynamic in size and use, innovative in shapes and colors. The strong personality of this collection comes from the essentiality of the structure characterized by the metal legs "L" and the thick tops available veneered or upholstered in leather.

Roger Collection
by Roberto Baciocchi

ROGER COLLECTION

The shaped edges for the insertion of the legs give to the top a modern and refined look, unique in its kind.

Roger Collection

GRAVITY COLLECTION

The Gravity collection takes the idea of an executive desk to a whole new level. Inspired by the essence of modern architecture, the minimalistic form of the Gravity range is fully integrated with technology.

Gravity Collection

Ergo Home Group Profile

At Ergo Home Group Ltd, we are considering our services as important as our way of Living. Since our establishment, in 1996, we esteem our customers as our business partners, offering them tailored-made solutions to meet their every need, taste and budget. Thus, we have made Ergo Home Group synonymous to superior quality and design, aesthetics and innovation.

Our companies, **Cucina & Cucina, Studio Arclinea, B&B Italia, Living, Living Plus, Living Contract, Ergo Office and Ergo Energy**, are representing world-renowned brands of high calibre, Italian kitchen furniture, wardrobes and doors, home as well as contract accessories and furniture. With showrooms in Nicosia, Larnaca and Limassol and more than 100 experienced professionals in our team, we are ready to undertake any commitment and support you in every step of the way with our experienced interior design and sales team.

Since 2010, The Group, apart from Cyprus, has been active also in the Middle East, with offices in Saudi Arabia, Oman, Qatar, Jordan and the United Arab Emirates. It has carried out large-scale residential projects and hotels such as Limassol Marina, Al Bustan Village & Hotel in Riyadh, Starwood Leading Hotels in Jordan, Intercontinental Hotel and Pearl Island in Doha.

While Ergo Home Group's valuable partnership with leading brands has given us a key competitive advantage, our unparalleled price/quality ratio, our superior service, both before and after sales, our experienced and devoted team have elevated our Group into the choice of preference by thousands of clients in Cyprus and abroad.
